KINSTON -Lenoir County Sheriff's deputies **charged 24-year-old Ezequiel Lopez-Lopez with manslaughter** after a shooting Saturday in Kinston.

Deputies responded to a call around 8 p.m. Saturday at the 700 block of Clark Drive. That's where they found 16-year-old Derrick Minton suffering from a gunshot wound to his lower abdomen. Minton later died at Lenoir Memorial Hospital.

"I just talked to him a week ago and now he's not here no more," Samuel Guzman, Minton's friend, said. "It's bad."

Deputies believe Lopez had a .380 semi-automatic handgun, and proceeded to hand the gun over to Minton who wanted to see it. At that point, the gun discharged while Lopez was still holding it, shooting Minton.

"I know they were friends, but I don't know what could've happened," Guzman said.

Investigators are still working to determine how exactly the firearm discharged and the circumstances prior to the shooting.

Lopez was taken to the Lenoir County jail, where he was held under \$40,000 bond. A first court appearance was held Monday morning.

Trio charged with making hundreds of fake DMV documents

<http://www.wbtv.com/story/19407801/investigators-trio-charged-with-making-hundreds-of-fake-dmv-documents>

CHARLOTTE, NC (WBTV) - **Three people in Charlotte have been arrested for making hundreds of fake vehicle titles and registrations.**

According to the North Carolina Department of Motor Vehicles License and Theft Bureau, inspectors arrested three people on Tuesday following a raid at three locations.

The investigation, which has been ongoing for two months, identified people who were obtaining assumed name filings from the Mecklenburg County Register of Deeds Office and using those fictitious business names to title and register motor vehicles, providing false information to DMV.

With the assistance of agents from the Department of Homeland Security and the North Carolina Secretary of State's office, DMV inspectors arrested the three after serving search warrants at three different locations in Charlotte.

Investigators estimate the group processed more than 600 transactions.

Felipe De Jesus Chavez, 33, owner of La Popular along South Boulevard, was arrested at the business and **charged with possession of heroin, possession of counterfeit merchandise and two counts of selling prescription medication without being licensed.**

DMV inspectors also seized title and registration documents and a license plate at the location.

A padlock on the door Wednesday surprised a few customers. Anivel Sandoval, who came to United States from Guatemala, says he was disappointed to learn about the illegal activity and did not expect to shop at La Popular again.

He said he understood the need for people to drive, but he says there are other ways to get transportation. Sandoval would bike, ride the bus, or ask a friend to take him to work before he could get a license.

"That's the only way you can survive over here, and to my opinion, that's the right way," he said talking about the need to follow the law.

Also arrested was Carisa Renee Barrett, 37. She was charged with title fraud, accessing government computers for fraud and notary fraud. Inspectors seized title and registration documents, notary seals, an N.C. DMV form and a computer at the location.

DMV inspectors seized additional title and registration documents, notary seals, currency, receipts and computers at J & J Tax along North Tryon Street. They **arrested and charged employee Juan Francisco Feliz, 51, with title fraud, accessing government computers for fraud and notary fraud.**

The three were transported to the Mecklenburg County jail.

3 Accused of Gunrunning- Previously arrested for Trafficking Cocaine

<http://www2.journalnow.com/news/2012/aug/07/1/three-charged-with-weapons-trafficking-in-wake-of-ar-2500301/>

Three Winston-Salem residents have been indicted on federal charges in an alleged gunrunning operation that authorities believe smuggled weapons and ammunition, in hidden compartments in vehicles, between Winston-Salem and southern Mexico.

Angel Medel Lorenzo, Ramiro Alejandro Garcia Roman and Incensia **Medel Banos** were **charged with smuggling and attempting to smuggle firearms, ammunition and accessories from Winston-Salem to Mexico,** according to an **indictment filed July 31, 2012** in U.S. District Court in Greensboro.

The charges come after a July 26 raid at a house on East Sprague Street. Several suspicious packages were found in the house, prompting authorities to evacuate nearby residents and bring in a bomb squad. The packages were determined not to be explosives, and neighbors were allowed to return to their homes.

During the raid, agents found 17 firearms, various kinds of ammunition and accessories for the firearms, a federal document says. The firearms were wrapped in plastic and black electrical tape to keep them from being detected by X-ray scanners at the U.S./Mexican border.

The ammunition also was wrapped in such materials as aluminum foil and electrical tape to avoid detection, the indictment says. The weapons, ammunition and accessories were hidden in vehicles and driven to Mexico between 2011 and July, authorities allege.

Medel Lorenzo traveled once a month from Winston-Salem to Guerrero, Mexico, to deliver firearms, the indictment says. His attorney, Karen Gerber of Greensboro, couldn't be reached for comment.

Medel Banos, his daughter, is accused of acting as a lookout during meetings between Medel Lorenzo and his co-conspirators to discuss the smuggling operation, the indictment says.

Her attorney, Ames Chamberlin of Greensboro, declined to comment on the charges.

Garcia Roman is accused of helping to wrap the weapons for shipment and storing the firearms in his house. Garcia Roman is listed as the owner of the house at 416 E. Sprague Street, Forsyth County tax records show.

His attorney, Helen Parsonage of Winston-Salem, couldn't be reached for comment.

Winston-Salem police received a tip in spring 2011 that Medel Lorenzo was involved with smuggling firearms into Mexico and illegal drugs into the United States, court documents say.

Police searched a house where Medel Lorenzo was living in October 2011 and found nine firearms, ammunition and ammo magazines and four rifle scopes, the federal document says. Police also discovered slightly more than an ounce of cocaine and 9 pounds of marijuana.

Medel Lorenzo and another man were charged with trafficking in cocaine, conspiracy to traffic in cocaine, possession with intent to sell and deliver marijuana and maintaining a dwelling to distribute narcotics, the document says. **He was released on bail in November 2011.**

Two months ago, an informant told federal investigators that Medel Lorenzo was shipping firearms from Winston-Salem to Mexico in vehicles, the document says. Another informant told federal authorities that the firearms were stored and packaged at the house at 416 E. Sprague St.

Winston-Salem police helped the FBI carry out a search warrant at the house. Agents with the federal Bureau of Alcohol, Tobacco, Firearms and Explosives and the U.S. Department of Homeland Security also were at the scene.

Randall Galyon, an assistant U.S. attorney, declined to comment on the charges.

Police Chief Scott Cunningham said that the federal investigation was effective.

"We are pleased when either illegal weapons or persons who possess weapons illegally or for illegal purposes are removed from society," Cunningham said. "Weapons themselves are not the problem but rather people who use weapons illegally."

Tom Gallagher, who lives near 416 E. Sprague, said that Garcia Roman and his family appeared to be good neighbors.

"I am surprised to find out that weapons were found in my neighborhood," Gallagher said.

Garcia Roman was being held without bail Tuesday in the Forsyth County Jail. Medel Banos was being held without bail in Alamance County Jail. Medel Lorenzo also is being held in federal custody, Galyon said. His location and bail amount were not available.

Man takes plea deal in murder case

<http://www.salisburypost.com/News/080312-court-plea-Jose-Daniel-Torres-Castro-second-degree-murder-qcd#.UB5FUqhF6W0.facebook>

SALISBURY — A Salisbury man with **ties to a Mexican gang** took a plea deal Thursday in the 2011 death of Guillermo Montes-Gonzales.

Jose Daniel Torres Castro, also known as Daniel Torres and Daniel Castro, was sentenced in Rowan Superior Court to just more than 10 years to 13 years in prison for **second-degree murder**.

Castro, 25, has been in the Rowan County Detention Center since his July 2011 arrest. He was charged with first-degree murder.

Castro will be given credit for the time he spent while awaiting trial.

He accepted an Alford plea, which allows him to acknowledge prosecutors could likely obtain a guilty verdict while not admitting to the crime.

In mid-June 2011, Montes-Gonzales was shot four times in the chest and upper body at the home Castro shared with his mother, Maria Castro, on Harrison Road. He had gone there to drink, authorities said.

Montes-Gonzales' body was found in a cul-de-sac at the end of Barley Run, off Oak Mountain Road in western Rowan County, several miles away. Investigators suspected the killing was drug-related.

A few weeks after the shooting, Castro was arrested during a traffic stop in Texas. He was extradited back to Rowan County.

District Attorney Brandy Cook said Montes-Gonzales' wife, Magali Solano Garcia, told investigators her husband came home from work that day. He later left to hang out at the "mechanic's house," later identified as Castro's uncle, Jose Armando Torres-Torres.

Torres-Torres told authorities the victim left his house around 11 p.m., the prosecutor said.

Maria Castro asked Torres-Torres, her brother in law, to move a blue van for her. The van belonged to the victim. It was parked at her Harrison Road home.

Maria Castro reportedly told Torres-Torres that she killed Montes-Gonzales, thinking that would make him help her. He refused to help, Cook said.

When detectives arrived at Castro's home, the van was still parked there with the windows busted out. No one could tell detectives why the van was parked at the home.

Detectives searched the home and found two speed loaders in Jose Castro's bedroom for a .38-caliber revolver, the same ammunition used to kill Montes-Gonzales.

Investigators concluded Jose Castro's sister, Cecilia Torres Castro, hid his Honda for two days. The car was found at a home in Mocksville.

Investigators spoke with Castro's cousin in South Carolina who told them "**when Castro drank, he pulled guns,**" the prosecutor said.

Montes-Gonzales' wife, Magali Solano Garcia, said through an interpreter the couple's three children still don't understand.

"They will have to do without him for the rest of their lives," she said.

Castro's attorney, Doug Smith of Salisbury, told the court his client had remained employed and supports three children. Smith said his client contends someone else, whom he only knows as Raphael or "Rafi," shot Montes-Gonzales.

Smith said his client's life was threatened and that's why he left the state.

Castro spoke briefly through an interpreter and said he considered Montes-Gonzales a friend.

"I also feel very bad, especially what his family is going through," he said.

Cook told the court there was enough evidence to prove Castro shot Montes-Gonzales.

"If he was not the shooter then why would his sister say he was the shooter?" Cook asked.

The investigation showed **Castro was a part of La Familia Michoacana, a Mexican drug cartel** that's now disbanded. He **is in the U.S. illegally and will be deported after serving his prison sentence**, authorities said.

Castro does not have a prior record and could've received as much as 20 years.

His mother, Maria Castro, 39, remains in the Rowan County jail under a \$125,000 bond, charged with being an accessory after the fact.

Synthetic marijuana found at Tobacco Outlet- Yeman connection

<http://www.reflector.com/crimerescue/sheriff-synthetic-marijuana-found-tobacco-outlet-1169959>

A Greenville tobacco store manager and an employee were arrested during a raid that netted a large amount of synthetic marijuana and in excess of \$20,000 in cash, Pitt County Sheriff Neil Elks said today.

A search warrant was executed at the Tobacco Outlet on East 10th Street in the Rivergate Shopping Center about 11:30 a.m. after a six-week investigation, Elks said.

The sheriff said law enforcement made several controlled buys during the investigation and determined a product sold in packages labeled as incense actually was synthetic marijuana.

The substance, available in a variety of different packages, could be bought in the store, Elks said.

"It's a dangerous drug," the sheriff said. He said he especially was concerned about the drug being easily accessible in a college town.

Capt. Paula Dance said the store manager and an employee were arrested. Spokesperson Christy Wallace identified those two people as **Daifallah Saleh Abdulla, 21, who is charged with trafficking by possession of synthetic marijuana and maintaining a dwelling for that purpose**, and Kenneth Parmer, 35, charged with misdemeanor possession with intent to sell synthetic marijuana.

Materials available in the store for purchase, such as hookah bongs, smoking pipes and rolling papers, were not considered illegal until it was determined synthetic marijuana also was for sale, Dance said.

Once it was determined synthetic marijuana was available for purchase in the store, those materials became drug paraphernalia, Elks said.

Also in the store were "hideaway compartment bottles," Dance said. They resembled regular drink bottles but had secret compartments to allow for hiding drugs, she said.

The drug paraphernalia and more than \$20,000 in cash were seized during the raid, Elks said.

The store manager's car also was searched, and officials seized more money, spice drugs and a handgun, Dance said.

Abdulla was placed under a \$100,000 secured bond at the Pitt County Detention Center. Parmer's bond information was not immediately available.

Additional arrests are pending. Dance said sheriff's officials **suspect the store's owner, currently abroad in Yemen, is involved in the operation.**

More details will be posted as they are available.

Most of the charges were registered at gas stations.

Court rejects Latin King leader's appeal

http://www.news-record.com/content/2012/08/07/article/court_rejects_latin_king_leaders_appeal

A North Carolina court denied an appeal by **Latin King leader Jorge Cornell** of his conviction for obstructing a police officer, in a ruling released today.

Cornell's May 2011 conviction, a misdemeanor, stems from an incident at an outdoor festival downtown in 2009. A Greensboro Police officer approached members of Cornell's group, who were flashing gang signs and shouting gang slogans, according to court reports.

Cornell got between his group and an officer, leading to his arrest.

Cornell appealed his conviction. He argued that the state did not present sufficient evidence that he delayed an officer in the line of duty and did so willfully. The court disagreed.

Appeals Court upholds conviction in trooper's murder

<http://www.citizen-times.com/article/20120808/NEWS/308080022/1001/NEWS>

RALEIGH — The N.C. Court of Appeals has upheld the murder conviction of the man who shot Trooper Shawn Blanton to death during a Interstate 40 traffic stop in Haywood County.

In a unanimous decision handed down Tuesday, the court rejected **Edwardo Wong's** arguments that he didn't receive a fair trial in the 2008 killing.

“After a careful review of the record as a whole, and the overwhelming evidence of defendant's guilt, we conclude that, even if error occurred, defendant was not deprived of his due process right to a fair trial,” the court said. “Defendant's argument is without merit.”

Wong was convicted of first-degree murder and other crimes during an emotional trial lasting more than two months in Catawba County in the fall of 2010. He was sentenced to life in prison without parole after the jury deadlocked on whether he should receive the death penalty.

Defense attorneys tried to focus on Wong's upbringing. **His father was a member of the Chinese Triad mafia, and Wong started carrying drugs and money for his father at age 10**, according to an expert working for the defense who reviewed the elder Wong's federal drug trial transcript.

Wong's father was assassinated in federal prison. He was stabbed five times, which the expert said shows **he was killed by the Chinese Triad. Wong would grow up to become a drug dealer himself**, making up to \$15,000 a month.

Charlotte woman accused in \$3.8 million tax scheme

<http://www.charlotteobserver.com/2012/08/11/3448695/charlotte-woman-accused-in-38.html>

A Charlotte woman has been accused in a tax scheme to defraud the government of more than \$3.8 million.

In court documents filed Thursday in U.S. District Court, 40-year-old **Candida Mayo Figueroa** was named as a suspect in the case.

Federal authorities said the U.S. Postal Service intercepted an “extraordinarily large number” of mail from the U.S. Treasury Department that appeared to contain checks going to several apartments close to one another in Charlotte. The Postal Service alerted investigators because the names on the mail were people not known to receive mail at those addresses.

Authorities said much of the mail was sent to homes in the Arrowood Crossing apartment complex in southwest Charlotte, and that Figueroa had been seen pulling mail from multiple mailboxes there.

Investigators said they sent five addresses to the IRS, which linked **804 individual income tax returns to those addresses. There was no history of the taxpayers identified on the forms living at the homes listed**, authorities said.

The fraudulent returns were filed between January and June, and the total amount of refunds claimed was \$3,804,184, according to court documents.

On Wednesday, authorities searched the five homes associated with the scheme. At **Figueroa’s home, they found notebooks containing names and Social Security numbers, U.S. Treasury checks and a box containing dozens of birth certificates of Mexican origin.**

Figueroa is charged with conspiracy to defraud the government. She remained in Mecklenburg jail Saturday.

Authorities said Figueroa conspired with others, but they were not named in court documents.

Man charged after crash that killed two near Apex

<http://www.newsobserver.com/2012/08/12/2262622/one-dead-in-wake-county-car-crash.html>

APEX -- State troopers **charged an Apex resident with not having a driver’s license and running from the scene of a crash that claimed the lives of two people** on Stephenson Road near the Cary and Apex town lines Saturday afternoon.

Abel Reyes Lara, 32, of 1016 Gilby Ave. was being held in the Wake County Jail Sunday on \$500 bond and a detention request from federal immigration officials. Troopers **charged him with not having a license and with resisting, delaying and obstructing police by running away**. Police from several jurisdictions and Wake County sheriff's deputies searched for Lara after witnesses told first responders that he had been seen going into woods.

Troopers said the people killed were Francisco Gonzalez, 26, of 1027 Malkham St. in Apex, and Ramiro Arroyo-Rosales, 30, of 1022 Malkham St. Both men were riding in the 1997 Dodge pickup truck that troopers said Lara was driving, but they were thrown from the truck when it went off the road and rolled over, so it was not known if they were in the cab or in the bed.

According to a report by Tpr. J.L. Taylor, Lara's pickup was headed north on Stephenson Road when it crossed the center line and sideswiped a vehicle going south. The pickup then ran off the right side of the road, Taylor wrote.

Two other people were hurt, but the extent of their injuries was unknown. Wake County EMS dispatched several ambulances to the wreck along with firefighters.

The accident happened just after 1 p.m. Troopers closed Stephenson Road while they investigated.

Husband Charged With Attempting To Choke Wife

<http://www.wtsbradio.com/pages/localnews.html>

A 27 year-old man was arrested Sunday after he allegedly tried to strangle his wife during a domestic altercation. Selma Police said the incident happened at the couple's home on West Noble Street.

Marco Antonio Macias Herrera was arrested a short time after the victim was able to dial 911 and report the incident.

Police said the 23 year-old woman told them Herrera placed his hands around her neck and choked her until she was nearly unconscious.

At the time of his arrest, Herrera was wanted by Wake County authorities for failing to appear in court earlier this year on speeding and driving with an open container citations. He was held under a \$4,000 bond on the traffic charges. He was given no bond on a felony assault by strangulation charge.

Two Arrested For Alleged Drug Possession

<http://www.wtsbradio.com/pages/localnews.html>

Two people were **arrested on marijuana possession charges** following a traffic stop around 3:30am Thursday on US301 just south of Micro.

Daniel Eduardo Munoz, 21, and **Jonathan Munoz Ramirez**, 19, both of Old Batten Road, Selma were arrested after a deputy stopped their car and allegedly found marijuana and drug paraphernalia inside, according to Sheriff's Captain A.C. Strickland.

Munoz was released from the Johnston County Jail on a \$1,500 bond. Ramirez was released on a \$1,000 bond.

Pedestrian Killed In Selma Hit & Run Crash

<http://www.wtsbradio.com/pages/localnews.html>

A pedestrian struck while walking along River Road near his home Saturday night died Monday at WakeMed as a result of his injuries.

Selma Police said Carlos Velasquez, 35, was struck by an Acura passenger car driven by **Jose Rumildo Canales**, 53, of Shadow Bend Lane, Selma. **Canales reportedly failed to stop at the scene but was arrested a short time later by Selma Police.**

Canales was initially charged with driving while impaired, hit and run resulting in serious injury, and aggravated felony serious injury by a motor vehicle. After Velasquez passed away, those charges were upgraded to felony death by motor vehicle.

Selma Police Detective R.L. Daniels said the victim and suspect lived less than one block away from each other but its unclear if they knew one another.

The NC Highway Patrol is assisting Selma Police with the fatal hit and run crash. Investigators have not said if they believe speed was a factor, or whether Velasquez was walking in the road or on the edge of the highway.

Man accused in connection with fake auto parts appears in court

<http://www.wsocv.com/news/news/man-arrested-connection-counterfeit-auto-parts-wor/nRDKS/>

CHARLOTTE, N.C. — The man **charged with trafficking fake airbags** had his first court appearance Friday.

The judge didn't set bond for **Igor Borodin**. Prosecutors said **he's a flight risk because he's not a U.S. citizen and they think he may have lots of cash stashed somewhere.**

Chopper 9 flew over the house where he lives in Indian Trail Thursday. Eyewitness News saw Homeland Security agents stack box after box of evidence. According to new court papers, it looks like agents allegedly seized more than 1,500 airbags. They say they took another 99 from Borodin's auto shop on Orr Road in northeast Charlotte.

The doors were locked there Friday and no one was roaming around. People who work next door say they don't know him, but one of their customers said he's worried for all the people who may be driving around with fake airbags.

Eyewitness News reached out to Homeland Security and the U.S. Attorney's Office to talk about that, whether the airbags are safe, how many people may have them in their vehicles, and how you know if you're one of them. But, as of late Friday afternoon, no one had answers. The U.S. Attorney simply vowed to "vigorously prosecute any intellectual property violations, especially those that potentially involve public safety."

Shooting leaves man critically wounded

<http://heraldsun.com/bookmark/19911474>

At about 1:30 p.m., police were called to 1906 Stadium Drive in northern Durham after a man was shot.

Investigators later **charged Ashraf Mwafaq Mubaslat**, 39, of 1906 Stadium Drive, **with assault with a deadly weapon with intent to kill inflicting serious injury**. Mubaslat was in the Durham County Jail under a \$500,000 secured bond.

Vone Thompson, who lives nearby, said he was home when the shooting happened.

"I heard one shot," he said. "The cable people were here putting my cable in. I was in the backyard, and [the cable employee] came running around and said: 'Somebody is shooting!'"

Thompson said he called 911 and police soon arrived.

He said he walked over to the house and saw a man in the back seat of a white car with a Texas license plate in the driveway.

"I seen somebody laying on the backseat," he said. "I think he was the person who was shot. I could see some blood on his chest."

Later in the afternoon, the car remained in the driveway with three of its doors open and a bloody towel on the ground next to it.

Thompson said the neighborhood is normally quiet and crime-free.

"This is a very safe neighborhood," he said. "I'm surprised something like this went on. It's very shocking."

The victim has not been identified.

Speed and Alcohol Contribute to Fatal Accident

<http://www.foxcharlotte.com/news/local/Speed-and-Alcohol-Contribute-to-NW-Charlotte-Fatal-Accident-167486235.html>

CHARLOTTE, NC -- Police believe alcohol and speed might have been contributing factors in a northwest Charlotte accident.

On Sunday around 3:14 a.m., officers responded to an accident on Old Mt. Holly Road. When they arrived, a 2001 Honda Civic driven by **Elvin Arnando Cornejo Ortez** was found overturned.

Officers say it appeared he ran off the roadway before being ejected from the driver side. Ortez was pronounced deceased on the scene.

Loius Ochoa, the passenger of the Honda Civic, was transported to Carolinas Medical Center with non-life threatening injuries.

The crash remains under investigation.
