## **ICE busts large sex trafficking ring operating from Florida to North Carolina**

<http://content.govdelivery.com/bulletins/gd/USDHSICE-678145>

CHATHAM COUNTY. — Today, U.S. Immigration and Customs Enforcement (ICE) announced the results of a lengthy investigation, called Operation Dark Night, into a **sex trafficking ring operating in Florida, Georgia and the Carolinas**. The investigation, which was led by ICE's Homeland Security Investigations (HSI), led to a takedown yesterday in which authorities made **13 criminal arrests and 44 administrative arrests tied to the investigation, as well as the rescue of as many as 11 victims**.

"ICE investigates a wide array of crimes, but the trafficking of women and girls for prostitution is among the most sinister," said ICE Director John Morton. "Few crimes so damage their victims and undermine basic human decency. Our fight against this evil must be relentless, both here and abroad."

U.S. Attorney for the Southern District of Georgia Edward Tarver said, "In what essentially amounts to slavery in the year 2013, the conduct described in the indictment against these defendants is reprehensible. This case is a prime example of the United States Attorney's Office and HSI recognizing that human trafficking is a cancer facing our society and taking a stand to stop the victimization of women involved in sex trafficking."

According to the indictment, **Joaquin Mendez-Hernandez**, aka El Flaco, conspired with each of the other defendants to transport people across interstate boundaries to engage in prostitution. In addition, Mendez-Hernandez allegedly conspired with at least three others to entice women from Mexico, Nicaragua and elsewhere to travel to the United States with false promises of the American dream. Once inside the United States, these women were allegedly threatened and forced to commit acts of prostitution at numerous locations in Savannah and throughout the Southeast. In one such instance identified in the indictment, Mendez-Hernandez is alleged to have told a Mexican woman that she would be sent back to her home country unless she serviced 25 clients a day.

HSI provides relief to victims of human trafficking by allowing for their continued presence in the United States during criminal proceedings. Victims may also qualify for a T visa, which is issued to victims of human trafficking who have complied with reasonable requests for assistance in investigations and prosecutions. Anyone who suspects instances of human trafficking is encouraged to call the HSI tip line at 1-866-DHS-2-ICE (866-347-2423) or the Human Trafficking Hotline at 1-888-373-7888. Anonymous calls are welcome.

Operation Dark Night was led by HSI, with assistance from the FBI; the Bureau of Alcohol, Tobacco, Firearms, and Explosives; U.S. Customs and Border Protection (CBP); CBP Air and Marine Operations; the Internal

Revenue Service's Criminal Investigations; the Savannah-Chatham Metropolitan Police Department; the **Chatham County Sheriff's Office**; the Garden City Police Department; and, the Chatham-Savannah Counter Narcotics Team. Assistant U.S. Attorney Tania D. Groover and E. Greg Gilluly Jr. are prosecuting the case on behalf of the United States.

## **Sampson father killed daughter, himself**

<http://www.wral.com/two-found-dead-in-sampson-county-house/11928740/>

TURKEY, N.C. — A Sampson County father who saved his 8-year-old daughter from their burning house in 2002 is suspected of killing her Sunday and then committing suicide, according to family members.

Sampson County deputies found **Carlos Vasquez**, 39, dead inside his house at at 3660 New Hope Church Road in Turkey on Sunday night, along with **Itzel Vasquez**, now 18, of 1342 Sea Brook School Road in Fayetteville.

The sheriff's office said the two were related, but declined to provide specifics about their relationship or how they died.

Family members spoke with WRAL News on Monday, however, and **said Carlos Vasquez shot his daughter and then turned the gun on himself.**

"It hurts. Two people in my family died," relative Jonathan Vasquez said.

Carlos Vasquez had recently separated from his second wife, who went to Texas with their two children and was scheduled to return Sunday, relatives said. For some reason, she changed her mind.

"She was coming, and she stopped in Atlanta," Jonathan Vasquez said. "From there, she said she was thinking about it and said she was going back (to Texas)."

The separation was too much for Carlos Vasquez to handle, relatives said, noting that there were wrapped presents for his wife and children still under the Christmas tree in his home. He called family members Sunday to tell them goodbye.

"That's why all my uncles and aunts came, but when they got here, he was already dead," Jonathan Vasquez said. "It ain't the first time that he said (he planned to kill himself). He said it a lot of times already."

Carlos and Itzel Vasquez were in the news on Nov. 4, 2002, after their Clinton home burned down. Carlos Vasquez's first wife, Paula Vasquez, and their 4-year-old son, Christian, were found dead at opposite ends of the house.

Witnesses said Carlos Vasquez pulled Itzel out of the burning home through a window. He suffered minor injuries, but the girl wasn't hurt.

At the time, officials said Itzel told them that the family left their Christmas tree on overnight. The Christmas tree was in the area where the fire started, officials said, but the exact cause was never determined.

## Hispanic suspects sought in armed home invasion

[http://www.clintonnc.com/view/full\\_story/21493716/article-Suspects-sought-in-armed-home-invasion](http://www.clintonnc.com/view/full_story/21493716/article-Suspects-sought-in-armed-home-invasion)

A Roseboro-area woman has become the latest home invasion victim, although county investigators do not believe this incident is tied to others that occurred in Sampson late last year.

Three suspects are being sought in the incident, which occurred around 7:55 a.m. Tuesday when the woman returned to her residence after taking her children to school.

Investigators have limited descriptions, but **all 3 are believed to be of Hispanic descent. One is described as a Hispanic male, 6 foot 2 inches tall, with light skin and wearing dark clothing; another is described as 6 foot 4 inches tall and wearing dark clothing; and the third is described as a Hispanic male wearing a camouflage jacket.**

According to Sheriff's Cpl. Marcus Smith, the victim returned to her Marion-Amos Road residence just before 8 a.m. An unknown man met her at the door, brandishing a weapon and ordering her to go inside the home. Two other suspects, the victim told officers, also made their way into her residence. The three rummaged through her possession, taking cash, titles and birth certificates with them.

Before they left, the three bound the victim's hands and feet to prevent her escape, then they left the residence. The victim did not report seeing a vehicle and did not know how they left the premises.

The woman, Smith said, was able to break free from her restraints and call 9-11.

She was not injured in the incident.

Although the woman is also of Hispanic descent, Smith said there was nothing about the incident that led officers to believe it was related to more violent home invasions that occurred late last year and seemed to have targeted citizens of Hispanic descent.

“Nothing leads us to think that at this time,” Smith reiterated.

The man, 35-year-old **Pedro Modesto Billarreal** of 4165 Reedsford Road, has been **charged with driving while impaired and felony habitual DWI**, following a series of calls that led a Clinton police officer to him.

Billarreal registered a .29 on the breathalyzer. He was jailed under a \$22,000 bond and his court date was scheduled for March 14.

His arrest came on the heels of calls to E-911 in reference to an alleged drunk driving riding a moped on Railroad Street. The caller told dispatchers that the driver kept falling off the moped as he attempted to drive down Railroad.

An officer was dispatched to the area, but did not find the moped nor the driver.

The caller phoned E-911 again, reporting this time that the moped was at the Shell station at the corner of Southeast Boulevard and Railroad Street.

The officer went to that location but still did not find the moped or the driver.

Minutes later, reports show, the officer spotted the moped in the middle of Pine Street, Billarreal underneath it.

He was immediately taken into custody and charged with the drunk driving offenses.

### **Durham chief: Latino parents can help curb violence**

<http://www.wral.com/durham-chief-latino-parents-can-help-curb-violence/11970294/>

DURHAM, N.C. — Durham Police Chief Jose Lopez put some of his frustrations in print Friday, blasting fellow members of the Latino community for inaction that he says allows violence and gangs to exist in his city.

In a letter printed in the Durham Herald-Sun and local Spanish-language publications, Lopez, who was born in the United States of Puerto Rican parents, begged Latino parents for cooperation in identifying criminals and solving crimes.

"I ask that you not only help me but, help yourselves to stop these tragedies. How? By identifying those who are in these gangs, where the firearms are stored and disarming your own children which are important in order to stop the violence," he wrote.

(Full text of letter below)

On Friday night, Lopez granted that his message may be hard to hear, but said he waited for others to step up, only to be disappointed.

"It is the Latino community hurting the Latino community and the only ones who can stop that are the Latino community," he said.

Katushka Olave, who works with the Latino community at the Immaculate Conception Church in Durham, found Lopez's letter hurtful and disappointing. She agrees that issues need to be addressed but felt the letter called out one specific group.

"We know there are probably some parents that need a little more guidance, but this is a responsibility of the whole community," she said.

Lopez said he addressed his letter to the Latino community because he is Latino. He said he hopes leaders in other ethnic groups will also speak out against crime.

## **Lopez: 'I am going to scream with the force of the law'**

**DURHAM - Three Latino juveniles (a boy and two girls) ages 16, 14 and 12 killed a man for his vehicle during Christmas week. Last month, a 13-year-old girl was killed by her 15-year-old brother with a gun belonging to their 18-year-old brother. This same brother with three other Latino juveniles shot and injured other Latinos at a flea market in December.**

**During this same time period many shots were fired at the houses of Latino families and in one case a man was shot as he mowed his grass. These shots** came from firearms in the hands of Latino juveniles. Today many of these juveniles are in jail.

In 1954 my father and mother (who was pregnant with me) came to the United States with my sister. They left their roots and the island of Puerto Rico. They were not looking for the Statue of Liberty or Disneyland. My father was looking for the opportunities that exist in the United States, where a poor person can rise from his or her station and their children can pursue their dreams. Many Latino families came to the United States for this same reason

The main reason that brought us to this country are our children who are throwing away their lives and wasting the sacrifices that their parents made for them. The Latino community bears the blame because they are not taking the action that is necessary to stop the violence and gangs that exist.

What value is there in a driver's license or immigration reform if we are killing ourselves? Many say that they are afraid to cooperate with the police or confront their children. It took a lot of courage to come to this land, leaving your country and crossing the frontier. The time has come when it is necessary to find the courage that brought us here and use it to save our children and our families.

For over five years I have been working as chief of police to improve the lives of everyone in Durham and I ask that you not only help me but, help yourselves to stop these tragedies. How?

By identifying those who are in these gangs, where the firearms are stored and disarming your own children which are important in order to stop the violence.

Respect begins in the home and if we as a Latino community don't respect ourselves then how can we expect to be respected?

I am going to scream with the force of the law. Please scream with me.

## **Police seize more than \$3 million worth of marijuana, meth in drug bust**

<http://www.wcnc.com/news/crime/Police-seize-more-than-3-million-worth-of-marijuana-meth-in-drug-bust-187384721.html>

MARSHVILLE, N.C. -- Authorities have seized more than \$3 million worth of marijuana and nearly \$50,000 in crystal methamphetamine in a drug investigation spanning Union and Moore counties.

Union County deputies have **arrested three men on felony drug trafficking charges and Moore County deputies have charged a fourth following a Wednesday night investigation of a meth and marijuana drug operation that crossed county lines**, Union County officials said.

An undercover drug investigation in Moore County led detectives to Union County Wednesday night to arrest suspect **Amador Villa Flores** on felony meth trafficking charges. Based on information from Moore County deputies, Union County deputies began to investigate two homes in Marshville and Monroe that police believed were linked to the Moore County investigation.

Late Wednesday night, Marshville police and deputies searched a residence at 1120 Unarco Drive, where they found more than one pound of crystal meth, worth about \$46,000, as well as \$8,975 in cash, three handguns and a rifle. Two men, 29-year-old **Antonio Gaytan Lopez** and 26-year-old **Octavio Valdez Villa**, were arrested on felony drug trafficking charges.

Later that night, police obtained a search warrant for a home at 6215 East Lawyers Road north of Marshville. Officers confiscated 745 pounds of packaged marijuana and four firearms.

Deputies said the street value of the marijuana is \$3,278,000. They arrested resident Alton Devonne Greene, 60, after discovering the drugs and guns.

Greene was in the Union County Jail Thursday charged with trafficking marijuana by possession, maintaining a dwelling for keeping or selling controlled substances and possession of controlled substances. His bond is set at \$500,000.

Lopez and Villa were also in the jail Thursday; **Lopez is charged with conspiracy to traffic in methamphetamine, trafficking in methamphetamine by sale and trafficking in methamphetamine by delivery**. His bond is set at \$500,500.

**Villa faces the same charges as Lopez and is additionally charged with possession of drug paraphernalia** with a bond set at \$500,000.

In Moore County, **Flores was in jail on \$100,000 bond and charged with trafficking methamphetamine by possession, transport, deliver and sale, conspiracy to traffic methamphetamine, felony possession of**

**methamphetamine, maintaining a vehicle for sale or possession of a controlled substance and resist, delay and obstructing an officer.**

“We appreciate the diligence of the Moore County Sheriff’s Office in uncovering this criminal enterprise, and we are grateful that they passed the information to us and provided assistance that led to these arrests and seizures,” Union County Sheriff Eddie Cathey said. “Likewise, we appreciate the assistance from the Marshville and Monroe police departments. Criminals don’t recognize jurisdictional lines, and it makes me proud that officers from four separate agencies can mobilize on short notice to bring down a major distribution operation like this.”

<http://www.blueridgenow.com/article/20130111/ARTICLES/130119994/1151?Title=Local-police-fight-war-on-meth->

HENDERSON COUNTY - State statistics released Tuesday paint a picture of the war on methamphetamine that pales in comparison to what local officers see every day.

The numbers show that only one of the 460 meth labs busted by the State Bureau of Investigation last year was in Henderson County. But whether cooked here or not, deputies see the drug as a definite threat.

“It is here. Don’t think for a minute that it’s not here,” said Sheriff’s Office Capt. Frank Stout.

But the majority of what officers see, he said, isn’t coming from home labs or the “shake and bake” method that state officials finger as the catalyst in a recent record-high number of meth lab busts.

**“The meth that we see is high quality and coming from Mexico,”** Stout said. “Methamphetamine is an incredibly, highly addictive drug. It can destroy families. It can destroy communities, and it’s available here.”

## **‘Major cocaine distributor’ arrested**

<http://mtairynews.com/bookmark/21370248>

A 47-year-old county man is behind bars under a \$500,000 bond on multiple drug charges following an undercover investigation into cocaine distribution in the county, Sheriff Graham Atkinson said Thursday.

Atkinson said that over the course of the past three months, undercover officers made multiple purchases of cocaine from **Ricardo Delgadillo**, who he described as a **“major cocaine distributor.”**

“He’s part of a larger distribution network, but in Surry County he’s a major player in cocaine distribution,” he said.

This past Monday, officers searched **Delgadillo’s vehicle and discovered more than six ounces of cocaine, and more than three ounces were found at his home**, located at 106 Memphis Lane.

Atkinson said investigators believe the cocaine is manufactured in Columbia and subsequently smuggled into the U.S., “sometimes directly and sometimes through Mexico.”

**Delgadillo has been charged with 18 counts of trafficking cocaine by possession, sale, delivery, and manufacture; five counts of maintaining a drug house and five counts of the possession of drug paraphernalia.**

Local investigators were assisted in the investigation by officers with the State Bureau of Investigation and the Department of Immigration and Customs Enforcement (ICE).

Detectives Tuesday discovered 81 marijuana plants between 1-foot and 6-feet tall and several pounds of harvested and bagged marijuana at Carvalho's home at 318 Oak Drive, Capt. Ronnie Whitaker said. Police had gone to the house to investigate a complaint about drug activity and found the marijuana after obtaining a search warrant.

Whitaker called the discovery one of largest, most elaborate indoor grow operations he's seen in Union County.

Carvalho was booked in the Union County Jail but had been released on \$30,000 bond.

Whitaker said police were still investigating the case.

<http://www.blueridgenow.com/article/20130118/articles/130119739>

Local and federal agents raided two Hendersonville homes Jan. 7 and seized 2.4 pounds of methamphetamine – worth an estimated \$108,800 on the street — and two vehicles.

**Three people, believed to be in the country illegally, were charged in the raids and are being held without bond.**

Investigators with the Henderson County Sheriff's Office, the Hendersonville Police Department's Narcotics Task Force and federal agents executed search warrants at 61 Whispering Pines Drive and 58 Dewitt Lane around 6:30 p.m.

He said that although no meth labs were found, it is common locally to find the drug in the hands of illegal aliens. The meth they've seen most often, Stout added, is not coming from the quick “shake-and-bake labs” that have spawned record busts this year across the state, but from Mexico.

**Magdaleno Gomez Hernandez**, 25, was arrested at his home on Dewitt Lane. He was charged with possession of drug paraphernalia.

A Selma father has been **charged with child abuse and domestic assault for allegedly striking his 14 year-old daughter repeatedly with a drop cord**. Deputies were called to the family home on Daybreak Lane on Tuesday, according to Johnston County Sheriff's Office spokesperson Tammy Amaon.

Authorities allege **Juan Carlos Rubio Santos**, 39, had spanked his daughter with a belt for using inappropriate language. When the teen allegedly refused to comply with her father's orders after the initial discipline, Santos allegedly began striking the girl about the body with the cord.

Officers said they noted numerous injuries to the victim, including an injury to her eye, where the cord had struck her.

Santos was transported to the Johnston County Jail then later released on a \$5,000 bond.

Deputies said they later identified Alejandro as the suspect.

He was incarcerated in the Johnston County Jail under a \$20,000 secured bond.

## **Crash ends police chase**

LENOIR COUNTY - A police chase in Lenoir County Saturday night ended when the suspect vehicle crashed into a creek.

A state trooper says he tried to pull over **Carlos Dixon Quinones**, of Kinston, for speeding.

Quinones did not pull over, and the chase wound for approximately five miles from north of Kinston to the Grifton area, the trooper said.

The chase ended when Quinones' car went into a creek off of Tick Bite Road, the trooper said.

Quinones, 36, tried to flee on foot through the creek but gave up the effort, the trooper said.

Quinones' license was revoked.

He's now **charged with felony speeding to elude, driving while license revoked, and reckless driving, among other charges.**

<http://www.wtsbradio.com/pages/localnews.html>

A Johnston County teen was arrested on drunken driving charges after deputies were called to check out a suspicious vehicle parked in the intersection of Barnes Road and Whitley Road around 7 o'clock Sunday night.

The officer reportedly found **17 year-old Jesus Rodriguez** of Otis Court, Middlesex passed out behind the wheel of a Hummer with the motor still running, according to Tammy Amaon, Public Information Officer, with the Johnston County Sheriff's Office.

**Rodriguez registered 0.15 on the Breathalyzer, Amaon said. Rodriguez was charged with driving while impaired and driving without a license.** He was released on a \$2,000 bond.

## **Accident Leads To DWI Charge**

A Smithfield man is facing drunken driving charges following a single vehicle accident early Monday on East Market Street. Smithfield Police said **Seferino Chiguil-Son Santos**, 27, of Wellons Street, ran off the roadway in his 2003 Ford Explorer and struck a street sign.

Santos registered 0.21 on the Breathalyzer, more than double the legal limit of 0.08, police said. **Santos was charged with driving while impaired** and given a court date of February 18 on the charge. Police said his SUV sustained about \$3,000 in the 2:00am crash.

## **Fire victim ID'd; Died before vehicle found burned in field**

<http://clintonnc.com/bookmark/21357498>

The body of a 33-year-old man found inside a burned vehicle on Boykin Bridge Road late last week has been identified, but officers still haven't determined what killed him.

Sheriff's Capt. Eric Pope said the incident is still being treated as an open death investigation until lab and conclusive autopsy results have been returned, helping officers determine what caused the death of **Cesar Padilla** of Magnolia Lane, Clinton.

**Padilla's body was found inside a badly burned vehicle discovered around midnight Friday in a field** in the 4900 block of Boykin Bridge Road.

Medical examiner Dr. Carl Barr said Thursday that initial autopsy results show that Padilla died before the fire started.

"I have to say this is a very bizarre case," Dr. Barr stressed, "and we've turned up no real explanation at this point for the death."

One reason, the medical examiner said, is because of how badly the body had been burned.

"It was so badly burned, it's hard to be certain of anything," Dr. Barr asserted. Yet he said he was "pretty confident" **whatever happened to the 33-year-old occurred before the fire burned the vehicle**, which was also charred so badly it has been difficult for investigators to determine what happened.

Pope said officers were able to collect some evidence at the scene, but they were still waiting for lab results, yet another reason the probe is virtually at a standstill.

"We are still treating this as a death investigation, but we are relying a great deal on the lab and autopsy results. We are still trying to determine the cause of death," Pope said.

## **Four charged with spraying gang graffiti**

<http://www.thetimesnews.com/news/top-news/four-charged-with-spraying-gang-graffiti-1.76499/suspects-charged-in-graffiti-cases-1.76501>

The Alamance County Gang Task Force has charged three adults and one juvenile allegedly involved in spraying gang graffiti on several businesses and is looking for a fifth suspect.

Between Nov. 21 and Dec. 15, roughly 10 property owners in areas ranging from east Burlington to Glen Raven reported their properties had been sprayed with gang graffiti, said Lt. Brian Long with Burlington Police.

The resulting investigation identified five individuals as suspects, and on Friday the Task Force arrested three of the four adult suspects, and the juvenile is being petitioned to juvenile court regarding seven counts of injury to real property, placing an exhibit with the intent to intimidate and injury to real property.

**Victor Manuel Montes**, 17, of 139 Flushing Street, Burlington; and **Leonel Sosa-Perez**, 19, and **Bladimir Sosa-Perez**, 16, both of 327 Thompson Street, Burlington, have each been **charged with placing an exhibit with the intent to intimidate, seven counts of injury to real property, injury to personal property and contributing to the delinquency of a minor.**

The three adults are in the Alamance County jail, each under a \$5,000 bond.

Long said the charges of "placing an exhibit with the intent to intimidate," relates to the graffiti itself, since gang-related graffiti either creates a sense of fear in a neighborhood or is intended to intimidate another gang.

**The Task Force is still looking for Kevin Osberto Padilla, 18, of 1137 Jackson Street, Burlington, who is wanted on charges of placing an exhibit with the intent to intimidate, four counts of injury to real property and injury to personal property.**

Anyone with information on Padilla is asked to call the Alamance County Gang Task Force at 336-570-4180 or CrimeStoppers at 336-229-7100.

CHAPEL HILL - Police charged a 31-year-old man with driving while impaired Friday after he lost control of his car and crashed into a guardrail near Southern Village.

He also was charged with driving without a license, driving without insurance, careless and reckless driving, improper registration, leaving the scene of an accident and having an open container of alcohol in his vehicle.**

He refused to give a breath sample, so police got a search warrant to obtain a sample of his blood to test for alcohol, according to police report.

Hernandez was driving south on U.S. 15-501 at 80 mph in a 45 mph zone when he lost control on a curve, according to an accident report.

Hernandez and his passengers jumped from the vehicle and ran away. Police caught Hernandez on Copperline Drive.

A passenger in the vehicle Perez was reportedly driving was injured in the crash after his vehicle skidded off the slick roadway and struck a mailbox.

## **Arrest made for smuggling cigarettes, ID theft and fraudulent gift cards**

<http://m.fayobserver.com/articles?path=/articles/2013/01/29/1233881>

CLINTON - A Raleigh man was arrested after a sheriff's deputy found him in possession of cigarette cartons that investigators think were to be sold on the black market, the Sampson County Sheriff's Office said Tuesday.

**Pa Gibbi Njie**, 25, was charged Sunday with **29 counts of possession of counterfeit instrument/currency and one count each of possession of five or more counterfeit instruments, trafficking stolen identities and financial card forgery**. Bail was set at \$92,000.

A member of the Sheriff's Office's Criminal Interdiction Team stopped a vehicle on Suttontown Road for a traffic violation Sunday, according to a release. After the driver gave consent for the deputy to search the vehicle, the deputy found 38 cartons of cigarettes and a bag of gift cards.

The deputy noticed that the magnetic coding on the cards did not match the cards' account number, according to the release. Receipts in the vehicle showed the cartons were purchased with the fraudulent cards.

According to the Sheriff's Office, criminals purchase cigarette cartons in North Carolina with fraudulent gift or credit cards, then take the cartons to northern states to sell them at a higher price.
