Mexican fugitive wanted on murder charges, arrested in Asheboro

<http://www.charlotteobserver.com/2010/07/01/1537587/mexican-fugitive-accused-in-texas.html>

A Mexican national has been arrested in Asheboro, a decade after authorities said he shot three people in Houston, killing one of them, and then went on the run, federal agents said today.

Fidel Mora Yanez, 37, was recognized Tuesday morning at a gas station in Asheboro, about 70 miles northeast of Charlotte, and arrested about a mile away, according to U.S. Immigration and Customs Enforcement.

Agents had Yanez under surveillance since June 22, when they got a tip that he was living in the Asheboro area under an assumed name and worked in construction, ICE spokeswoman Barbara Gonzalez said. When he was arrested, Yanez told authorities he had relatives in the area and had been living in North Carolina since 2001, Gonzalez said.

Police say Yanez shot and killed 20-year-old Nicolas Deangel Clemente after the men argued at a Houston bar on Aug. 4, 2000. According to authorities, Yanez went to Clemente's apartment later that night, shooting him in the head and chest.

Two other men inside the apartment were wounded but survived, police say.

Yanez faces one count of murder and two counts of aggravated assault in connection with the Houston shootings, police there say. In addition, federal authorities say he will face administrative charges for being in the country illegally.

Yanez was in the Mecklenburg County jail today awaiting extradition to Houston.

Heroin operation covered several counties

<http://www.salisburypost.com/News/070210-WEB-cops-black-tar-herion-bust-follow-qcd>

Authorities believe **a group of Hispanics** moved to Rowan County about three months ago to start and operate a black tar heroin business serving several counties.

The Rowan County Sheriff's Office, working with several other agencies, busted the operation Thursday, seizing cash, guns, cocaine and black tar heroin.

Sheriff Kevin Auten said this is the first full-scale black tar heroin operation busted in the county.

He noted that black tar heroin usage is on the rise.

Investigators believe the business was connected to suppliers in Atlanta, based on the four-hour time needed for arrival of the product.

Lt. Chad Moose, head of the Criminal Investigation Division, said the Sheriff's Office began the investigation six weeks ago, after tips from the public.

Heavy traffic at the newly opened business apparently also raised questions.

Auten said this morning that federal immigration officials have placed detain orders on the five Hispanics arrested. They are all believed to be illegal immigrants. A sixth person arrested, Meredith Kristin Simmons, was identified as the girlfriend of one of the men.

When officers stopped Simmons in a vehicle near Porky's in China Grove, they found drugs and an infant. The Rowan County Department of Social Services was called.

Investigators say the drug business was being operated out of a building at 6275 S. Main St., using an auto repair business as the front.

The auto repair business took up about half the building. Investigators said the office area in front of the building was being used as a living quarters for the group.

The building initially housed the aluminum business of Jim Neely, a well known businessman and former county commissioner. Neely died in 2003 and the property was sold at auction.

During the investigation, undercover officers bought cocaine and heroin at the South Main Street business.

Investigators quickly determined the business was selling narcotics in several counties.

Detectives from the Iredell County Sheriff's Office joined the investigation early on.

On Thursday, the Rowan County Sheriff's Office obtained search warrants for the business on Main Street, and two residences, 116 Cedar Drive and 405 Turner St., Landis.

During the raid, detectives seized 82 "balloons" of heroin, estimated street value of \$25 each; three handguns, two grams of cocaine and \$4,500 in cash.

Over the course of the investigation leading to the Thursday raids simultaneously at the three locations, detectives seized a total of 140 balloons (8 grams) of heroin and 2 grams of cocaine.

During the raid on the South Main Street location, one of the men attempted to run and threw balloons in a pile of trash.

The colorful balloons were easily located and retrieved.

Several agencies assisted the Sheriff's Office in the searches and arrests. The agencies include Iredell County Sheriff's Office, Salisbury Police, Landis Police and the SBI.

Those charged are:

- **Rosalinda Santa Garza**, trafficking in heroin (two counts), conspiracy to traffic in heroin (three counts), possession with intent to sell and deliver a Schedule I drug (heroin) and maintaining a vehicle for such purposes.
- **Hector Rodriguez**, conspiracy to traffic in heroin (two counts), sell and deliver a Schedule I drug (heroin).
- **Juan Dedios Lopez**, trafficking in heroin (two counts), conspiracy to traffic in heroin, possession with intent to sell and deliver a Schedule I drug (heroin) three counts, sell and deliver a Schedule I drug (heroin) two counts.
- **Jose Del Pilar Rodriguez Hernandez**, conspiracy to traffic in a Schedule I drug (heroin).

- **Jesus Alberto Acosta**, felony possession of cocaine, possession of marijuana and possession of drug paraphernalia.
- Meridith Kristin Simmons, possession with intent to sell and deliver a Schedule I drug (heroin), conspiracy to sell and deliver a Schedule I drug (heroin).

All except Simmons are being held with an immigration detainment order.

Simmons' bond is set at \$15,000.

Five-year-old girl struck by vehicle in La Grange

<http://www.kinston.com/news/grange-66507-vehicle-five.html>

LA GRANGE — On June 28 at approximately 10:30 a.m., an unlicensed driver struck a 5-year-old girl as she was played on Aycock Street in La Grange.

The victim — Katie Ann Beasley, of 108 Aycock St., La Grange — was playing on a toy four-wheeler in the street, according to her father, Tim Beasley.

The driver of the burgundy 1999 Dodge Caravan that struck Katie Beasley — **Isauro Mote Loaiza**, 43, of 100-A Sutton Drive, La Grange — was cited by the Lenoir County Sheriff's Office for not having a driver's license.

"My 10-year-old son told us Katie was in the middle of the street and was trying to get back into our yard when the van hit her," Beasley said. "The guy driving the van spoke very little English; I couldn't understand 95 percent of what he was saying.

"He told us how sorry he was, and that he had a little girl, too; he also said 'I pay for ambulance', 'I pay for doctor bills for your little girl'."

When The Free Press attempted to speak to Loaiza via telephone, no one at Loaiza's residence was able to speak English.

Husband Charged With Killing Wife, Shooting Her Stepfather

<http://www.newsobserver.com/2010/07/03/563601/estranged-husband-jailed-in-shooting.html>

A Johnston County man is accused of fatally shooting his wife and wounding her stepfather Thursday afternoon on Neuse Bend Road in the Brogden community. Chief Deputy Bengie Gaddis said **Adolfo Reyes Maldonado** of Wilson's Mills shot and killed his wife, 28 year-old Elizabeth Reyes, then wounded her stepfather, Ben Croft, who was shot once in the arm and leg. Gaddis said Croft fled out a window and summoned help from a neighbor.

When officers arrived on the scene, they detained Maldonado. Once inside the residence, Chief Deputy Gaddis said officers found the body of Mrs. Reyes, who had apparently been shot. Croft was treated at Johnston Medical Center for non-life threatening injuries. The couple's 11 month-old child was also on the scene. He did not show any signs of injuries but as a precaution was taken to the hospital for examination. Gaddis said the incident appears to be domestic related. Mrs. Reyes had been living apart from her husband

for an unknown period of time.

According to court documents obtained by WTSB, Mrs. Reyes took out a restraining order against her husband on March 8, but it was cancelled when she failed to show up in court on March 19. Reyes wrote in her request for a domestic violence protection order, “the defendant struck me closed fist in the face and threatened me with jumper cables hitting hard on the grill. Saying come on b***h come get me.” Chief Deputy Gaddis said Maldonado was injured in the face by shotgun pellets he reportedly fired. After undergoing treatment, the 45 year-old construction worker was jailed on murder and attempted murder charges.

Mount Airy News

http://www.mtairynews.com/view/full_story/8092113/article-Police-Briefs-?

Eduardo Alvarado Sierra, 22, of 2223 Holly Springs Church Road, was jailed on multiple charges, including felony drug possession, on June 20 arising from a late-night hit-and-run incident on Arlington Street. After he allegedly left the scene, a witness followed Sierra's vehicle to the parking lot of the Sav-A-Lot grocery store nearby, where he was arrested.

Sierra is accused of driving while impaired, hit and run, unauthorized use of a motor vehicle and driving with license revoked. He also was charged with felonious possession of a controlled substance (cocaine). Sierra was held in lieu of a \$3,000 secured bond and is facing a July 14 appearance in Surry District Court.

Cocaine found in toy rabbit leads to two arrests

<http://www.starnewsonline.com/article/20100708/articles/100709709>

Two people were arrested Tuesday after New Hanover County sheriff's deputies found nearly half a kilogram of cocaine hidden inside a stuffed rabbit, Capt. David Ciamillo said.

Humberto Cortez Diaz, 40, and **Enriqueta Aragon Sosa**, 39, face multiple drug charges related to cocaine possession and trafficking. They are being held in the New Hanover County jail in lieu of \$850,000 bond, and also could face action from the U.S. Immigration and Customs Enforcement.

After a two-week investigation, investigators stopped a vehicle and found two ounces of cocaine inside, Ciamillo said. Detectives then went to the driver's home at 506 Purdue Drive.

While searching the house, a detective squeezed a toy rabbit and said it felt unusual inside.

When it was cut open, detectives found more than a dozen bags of cocaine wrapped in tin foil inside, Ciamillo said. The cocaine had been stuffed inside and the back of the rabbit sewn up.

“Where you think things shouldn't be is where you search first,” Ciamillo said.

More cocaine was found in a boot and elsewhere in the house, he said. About 18 ounces of cocaine total were found, worth more than \$50,000, Ciamillo said.

The New Hanover County Sheriff's Office and ICE believe Diaz and Sosa to be illegal immigrants, Ciamillo said.

4 Winston-Salem individuals arrested for document fraud

<http://www.ice.gov/pi/nr/1007/100712winstonsalem.htm>

WINSTON-SALEM, N.C. - Three males and one female, all citizens of Mexico, were arrested here on July 6, by U.S. Immigration and Customs Enforcement (ICE) Homeland Security Investigations (HSI) special agents for document fraud-related charges. The arrests are as a result of an investigation between ICE and the Alamance County Sheriff's Office.

According to the indictment, **Juan Manuel Gonzalez-Sosa**, 28, **Pedro Gonzalez-Matias**, 51, **Jacaranda Gonzalez-Sosa**, 24, and **Pedro Gonzalez-Sosa**, 21, all of Haw River in Alamance County, allegedly knowingly transferred false identification documents knowing the documents were produced without lawful authority. The false documents included immigration and social security cards and North Carolina driver's licenses.

The indictment further alleges that Juan Manuel Gonzalez-Sosa knowingly produced false identification documents; possessed document making implements designed and suited for making false identification documents and possessed with the intent to use unlawfully and transfer unlawfully five or more false identification documents.

Juan Manuel Gonzalez-Sosa is also facing criminal charges for illegally reentering the country after having been deported twice.

All four defendants had their initial appearance on July 7. A trial date has not yet been set.

The threat posed by document fraud is exemplified by the fact that at least seven of the 9/11 hijackers obtained genuine Virginia identity documents by submitting fraudulent Virginia residency certificates. Using these ID cards, the hijackers were able to clear airport security and board aircraft for the attacks.

The case is being prosecuted by the U.S. Attorney's Office for the Middle District of North Carolina.

On March 31, 2009, BECERRA was arrested by deputies of the Pender County Sheriff's Office and officers of the Topsail, the Surf City and the Holly Ridge Police Departments as he attempted to deliver 10 ounces of crack cocaine to a residence on Manhollow Church Road in Pender County. More charges for two men arrested in area rape, robbery

<http://www2.hickoryrecord.com/content/2010/jul/17/more-charges-two-men-arrested-area-rape-robbery/news/>

HICKORY - DNA has helped Hickory police link two similar sexual assaults that happened 19 months apart.

Eddy Fernando Barrios-Ortiz, 26, and **Milion Estuardo Barrios-Ortiz**, 31, were charged Thursday with one count each of first-degree rape, robbery with a firearm or other dangerous weapon, first-degree sexual assault and kidnapping. The new charges come from a kidnapping, sexual assault and robbery that occurred at Valley Hills Mall on Dec. 30, 2008.

They were given a bond of \$1 million each. The brothers were already in jail on identical charges from a January assault.

Police have said similar vehicle and suspect descriptions, as well as similar methods of operation, are what helped secure the arrest. The DNA sealed the deal.

The brothers, who are Guatemalan, are in the U.S. illegally. They will stand trial in Catawba County.

ICE will conduct an investigation to decide if the men will be deported following their trial if they are found not guilty or following their prison sentence if they are convicted.

Last year, 1,966 Latinos were involved in alcohol-related crashes and 37 were killed.

A 28-year-old Clinton man was jailed Thursday on a half-million dollar bond, facing multiple sex offenses involving a 12-year-old victim, including statutory rape.

Darwin Edgardo Martinez was taken into custody and charged with six counts of first degree statutory rape; six counts of taking indecent liberties with a minor; and two counts of sexual offense with a child.

Sampson County sheriff's officers said the arrest comes on the heels of an investigation which began July 12, when the parents of the youngster notified law enforcement that the suspect had been having sex with their 12-year-old daughter.

Through the investigation, reports indicate, officers found enough probable cause to level the charges.

LILLINGTON - A Harnett County teenager drowned in a pond near Coats on Wednesday afternoon.

Rescue workers responded to a farm pond off McGee Barefoot Lane at 12:51 p.m., according to a news release from the Harnett County Sheriff's Office.

The body of **Hector Ochoa-Velquez**, 17, of McGee Barefoot Lane in Coats, was pulled from the pond at 2:34 p.m., the release said.

Ochoa-Velquez and two other male juveniles were at the pond fishing. Ochoa-Velquez and another juvenile, age 12, used a small boat to paddle out into the pond. The other male juvenile, age 13, did not go in the boat, staying on the edge of the pond, according to the release.

The boat began to take on water and overturned. The 13-year-old swam out and assisted the 12-year-old to the edge of the pond. They did not see Ochoa-Velquez again after they began to swim from where the boat overturned.

Man wanted for murder captured

<http://www.thetimesnews.com/news/county-35555-alamance-wanted.html>

The search for a man wanted for killing his estranged wife's friend is over.

Raul Zuniga Contreres, 34, of Mebane Oaks Road, was taken into custody by U.S. Marshals early Saturday morning in Ionia County, Mich.

State warrants charging Contreres with the first-degree murder of 36-year-old David Wayne Smith were obtained by the sheriff's department Monday night following the shooting at Smith's home at Cedar Hill Drive, off of N.C. 54, in Haw River.

His estranged wife, Yanet Sales Zuniga had separated from Contreres about a month ago. After the separation, he allegedly had threatened to kill himself. Contreres also threatened to burn Zuniga's home down with her in it, according to a protective order Zuniga received on Tuesday.

Zuniga told authorities what Contreres came out of Smith's back yard, which backs up to woods, and then he jumped a fence. He allegedly came running towards Smith and Zuniga pointing a gun.

Contreres and Smith struggled for the gun. Smith was shot in the chest. Contreres ran from Smith's yard back into the woods and disappeared. The gun was recovered at the scene. Smith died at UNC Hospitals in Chapel Hill.

Authorities have searched for Contreres since that time. Family members told the sheriff's department that Contreres is an illegal immigrant. Jones said that Contreres' legal status can't be confirmed until he is fingerprinted and run through the 287(g) system.

SELMA- Four people were arrested Sunday and charged with cockfighting in Johnston County.

Authorities seized 23 live chickens and 3 dead ones at 1729 Davis Homestead Road, just west of Interstate 95 between Selma and Kenly.

Johnston County Sheriff's spokeswoman Tammy Amaon said a deputy was sent to the home about 11:30 a.m. after someone called to report excessive traffic there.

"He pulled up and caught them in the act," Amaon said.

People scattered, but the deputy arrested four. Amaon said each was charged with cockfighting and conspiracy to conduct cockfighting.

Those charged were:

Juan A. Villarreal, 50, of the Davis Homestead Road address.

Victor A. Morales Lopez, 25, of Jacksonville.

Emilio Aguilar Carrillo, 17, of Smithfield.

Cuauhtemoc Z. Rodriquez, 32, of Kenly.

Cockfighting became a Class 1 felony in North Carolina in 2005.

Chapel Hill man charged with raping 15-year-old girl

<http://www.newsobserver.com/2010/07/27/599845/chapel-hill-man-indicted-for-raping.html>

A Chapel Hill man was accused in an indictment Monday for raping and taking sexual liberties with the daughter of a woman he was living with.

Martin Delgado-Ramirez, 32, of 591 Dalton Drive, was living with Debra Glover, 47, and her 15-year-old daughter at the time of his March 5 arrest. Major Gary Blankenship, a spokesman for the Chatham County Sheriff's Office which made the arrest, said Glover was complicit in the act and is currently facing her own felony child abuse charge. The investigation was started after a tip from the state Department of Social Services, he said.

Blankenship said Ramirez's bond is set at \$225,000. He has sat in a county jail cell since his arrest, awaiting his Aug. 30 court date at the Pittsboro Superior Courthouse.

Highway Patrol seizes 67.6 pounds of marijuana

<http://www.rockymounttelegram.com/news/highway-patrol-seizes-676-pounds-marijuana-21917>

A minor traffic violation landed a Florida man in trouble with the law after N.C. Highway Patrol troopers discovered almost 70 pounds of marijuana in the tractor-trailer he was driving north on Interstate 95 Wednesday.

Troopers J.E. Clark and J.W. Lamm stopped the truck for an unspecified traffic violation and detained him on suspicion of possible criminal activity, Trooper KB Heath said.

"They obtained the consent to search the truck and called in myself, First Sgt. J.A. Camron and Lt. J.K. Stone," Heath said. "Upon searching the vehicle, we discovered 67.663 of hydro(ponic) marijuana." Heath said the marijuana is a higher quality than marijuana grown outdoors.

"It costs a lot more," he said. "The marijuana we seized has a street value of \$4,000 a pound and totals \$270,652."

The driver, **Arturo Mena**, 48, of Miami, Fla., was charged with felony trafficking marijuana and was processed by the Nash County magistrates' office.

DWI suspect accused of ramming police vehicle urinated in pants, may be illegal immigrant

<http://www.gastongazette.com/news/officer-49419-police-ramming.html>

Gastonia police arrested a man for allegedly ramming an officer's vehicle in an attempt to drive away from the scene of an investigation Wednesday morning.

Julio Cesar Mendoza Agustin, 28, of 2112 Camelot Court, Gastonia, was charged with hit and run failure to stop involving property damage, assault with a deadly weapon on a government official, driving while impaired, not having an operator's license and having an open container in his vehicle after consuming alcohol.

Officer J.A. Hallman was attempting to pull over Agustin's vehicle about 9:50 a.m. on South Oakland Street, near the intersection with East Fifth Avenue. After coming to a stop, Agustin shifted his vehicle into reverse and intentionally struck the patrol car occupied by Hallman, according to an arrest warrant.

After Agustin was detained, police also found he did not have a driver's license and discovered the open container of alcohol in the car. Agustin also urinated in his pants, according to a warrant affidavit.

Agustin was held at the Gaston County Jail, pending a first appearance in court Thursday. The Gaston County Sheriff's Office also placed a hold on his release pending an Immigration and Customs Enforcement investigation into his immigration status.

Cocaine, meth seized from illegal aliens

<http://whiteville.com/articles/2010/07/30/news/doc4c488075754c1328523582.txt>

NAKINA- Sheriff's detectives, accompanied by seven SBI agents and five officers from Duplin County, recently seized two kilos of powder cocaine and 88 grams of "crystal" methamphetamine near Whiteville.

The cocaine, still wrapped in heavy plastic and duct tape, is valued at \$200,000 if sold on the streets. The methamphetamine would sell for "at least" \$9,000.

Gabriel Castaneda, 30; **Angel Castaneda**, 30; **Rodrigo Barron**, 28; and **Salvador Pineda Gutierrez**, 19 – all citizens of Mexico and determined to be in the United States illegally – were arrested.

All four, with varying addresses along Big Cypress Road, Nakina, are charged with two counts each of trafficking in cocaine and methamphetamine – possession and transportation.

"We determined this week that all four of the Mexicans were illegally in this country. Gabriel Castaneda was deported less than three months ago, and made it back to Columbus County," Sheriff's Drug Detective Lt. Steve Worthington said.

Gabriel Castaneda served a term of just over nine months in prison in 2009 after a conviction here of possession of cocaine with intent to sell. He was released from prison last September, and was held by federal authorities until deported two months ago.
