<http://www.wtsbradio.com/pages/localnews.html>

A Smithfield police officer was kicked twice by a driver he pulled over for a traffic violation Saturday on Brogden Road near I-95. Police tell WTSB the driver was detained along with two passengers in the vehicle. During a search of the suspects' Chevy Camaro, a small amount of cocaine was reportedly found in the back seat area, according to Lt. Keith Powell. The driver, **Eugenio Rodrigues**, 26, of Greenville, and both passengers, **Eliaser Ponalozza Villanueva**, 22, and **Jacinto Jaimes Rodriguez**, 22, both of Wilson were all charged with felony cocaine possession. Rodrigues was also charged with assault on a police officer and driving on a revoked license. His bail was set at \$13,000. The other suspects were confined in the Johnston County Jail under a \$10,000 bond each.

FOUR OAKS- Six people were arrested on felony drug charges Friday night at the Travelers Inn Motel on Highway 96 at US701 near Four Oaks. Charlotte Hit & Run Raises Illegal Immigration Concerns

<http://www.foxcharlotte.com/news/top-stories/East-Charlotte-Hit--Run-Raises-Illegal-Immigration-Concerns-102591464.html>

CHARLOTTE, NC – Someone hit a six-year-old boy riding his bike Wednesday night along Sharon Amity Road.

The boy suffered cuts to his face and a broken leg.

Police charged **Juan Carlos Carmona-Lopez** with felony hit and run and his passenger **Rogelio Isalas** with failing to give assistance.

Both men have prior records in Mecklenburg County.

Sheriff Chipp Bailey says that was before stronger immigration laws were put in place.

“Before, like in Lopez’s case in 2002, he makes bond and he's back on the streets before we even know if he's in the country illegally or not,” Bailey says.

Bailey credits laws like 287-G, which allows officers to check a person’s immigration status when they’re arrested.

“The only way we found out he was in the county illegally was through the 287-G,” Bailey says.

But advocates for the Latino community like Maudia Melendez say stronger immigration laws only make the situation worse.

“First thing that comes to their mind is, we're gonna be deported, so let's leave, you know,” Melendez says, “These days most of the people without documents are afraid, because of deportation.”

Both agree, it's a bad situation that shouldn't happen.

“Anybody that hits a 6-year-old and leaves them on the side of the road, I just don't understand that,” Bailey says.

But it’s a case that’s again raising the issue of illegal immigration.

Sex assault victim devastated by attacker's new charges

<http://www.wral.com/news/local/story/8308572/>

DURHAM, N.C. — A woman who was sexually assaulted last year inside her Durham County home says she's heartbroken that she went along with a plea deal for her attacker, who is now accused of another assault.

Holly Smith was a successful teacher at Rogers-Herr Middle School and a mother of two living in her dream home when she was attacked in May 2009. Her husband was out of town with their daughter, and she was asleep in bed with their 2-year-old son when **Alfred Douala Mangabell** broke into the home.

"I just had a funny feeling. I woke up. He was sitting on my bed, staring at us," Smith said Thursday in an exclusive interview with WRAL News.

Mangabell was a family friend at the time, and Smith said she could tell that he had been drinking and asked him to leave.

"He pulled out a knife, held it to my chest, threatened to cut me," she said. "(He) threatened, if I didn't keep my son quiet, he would cut my son."

Smith says Mangabell then sexually assaulted her and took a picture.

In February, she agreed with Durham County Assistant District Attorney Mitch Garrell's decision to offer Mangabell a plea deal in the case.

Mangabell, 29, of 1815 Vale St. in Durham, pleaded guilty to breaking and entering, false imprisonment, assault with a deadly weapon, sexual battery and attempting to secretly capture an image of another person. The deal required him to register as a sex offender but allowed him to go free – he spent nine months in jail awaiting trial – and serve 18 months on probation.

Garrell told Smith at the time that he worried that jurors wouldn't believe her story. He said recently that he thinks the plea deal was fair given the facts he would have been working with at trial, including Mangabell's lack of any criminal record at the time.

Mangabell, who also goes by the name Alfred Manga Bell, was charged last week in a Sept. 5 home invasion in Timberlake in which an intruder forced two women to perform sex acts on each other while he photographed them. Investigators with the Person County Sheriff's Office said the intruder threatened to post the pictures of the women online if they reported the incident to authorities.

Three days after his arrest, Mebane police charged Mangabell in a June residential burglary. Burlington police said they also are looking at his possible involvement in a case there.

Mangabell's probation is in the process of being revoked, and Jones said Mangabell, who is originally from Africa, could also face questions from U.S. Immigration and Customs Enforcement agents.

Arcos-Moreno is being held on \$1.5 million bond.

Powder cocaine ring cracked in Rowan

<http://www.charlotteobserver.com/2010/09/17/1699399/powder-cocaine-ring-cracked-in.html#ixzz0zr8aGgf2>

Sheriff's investigators arrested four men this week after a nearly four-month undercover investigation into what they say was a powder cocaine ring in western Rowan County.

The men were arrested and charged Thursday night after investigators received word that a large cocaine deal was about to happen at a home on Old U.S. 70 in the community of Cleveland, sheriff's Capt. John Sifford said.

Rowan and Iredell county sheriff's detectives and agents with the SBI and U.S. Immigration and Customs Enforcement set up a surveillance operation in the area. At about 7 p.m., a white Toyota pulled into the driveway, and an undercover detective purchased cocaine.

As investigators moved in to make arrests, a man sitting in a car started to drive away, nearly striking an officer with the car before leading investigators on a chase through Cleveland, Sifford said. The driver stopped the car on Baker 's Mill Road and surrendered.

Detectives arrested another suspect who was playing soccer at the Cleveland YMCA. That man tried to run away and was subdued with a Taser, Sifford said.

Arrested on various cocaine-related charges were **Herver Jamie Pena**, 32, **Bernardo Pineda Montano**, 28, and **Mauricio Alfonso Landaverde**, all of Cleveland, and **Yone Reza**, 26, of Candor.

All are in the Rowan County Detention Center this afternoon under various secured bonds. ICE is investigating the immigration status of the suspects, Sifford said.

Man indicted in killing of girlfriend

<http://www.salisburypost.com/Crime/091610-Cops-Murder-indictment-qcd>

Denis Omar Funez-Florez has been indicted by a Rowan County grand jury in the first-degree murder of 25-year-old Kendy Patricia Funez.

Funez was killed Aug. 19. She was found on a bed with a gunshot wound to the face in a home at 165 Oakhurst Drive.

Salisbury Police said Funez-Florez confessed to killing Funez, his live-in girlfriend.

Funez-Florez did not try to flee the scene, and was there when officers arrived.

Signs of struggle in the mobile home were found, and investigators said the shooting was the result of domestic violence. Police said Funez-Florez had been drinking.

Salisbury Police Chief Rory Collins said calls to the Oakhurst Drive home for domestic violence investigations have never been made, but police did respond to a call about suspicious drug activity at the residence.

Man charged with sex offense

<http://www.salisburypost.com/Crime/090310-Cops-Sex-offense-qcd>

Authorities have charged a Salisbury man with sexually assaulting a child.

Kervin Humberto Velase Carbayal, 18, of 1100 W. Fisher St., remained in the Rowan County jail Thursday night under \$100,000 bond on a charge of first-degree sex offense with a victim younger than 13.

The Salisbury Police Department said there was sufficient evidence to warrant Carbayal's arrest Wednesday evening; the investigation continues.

Arrest made after 614 lbs of marijuana found in truck

<http://www.wbtv.com/Global/story.asp?S=13198043>

MONROE, NC (WBTV) - Police have arrested a man in Monroe who they say was transporting hundreds of pounds of marijuana in his truck early Wednesday morning.

A Stallings Police Officer was heading home from work around 4:30 a.m. and spotted what he thought was a drunk driver.

The cop alerted the Monroe Police Department and two officers stopped the truck at the intersection of Highway 74 and Hilltop Road.

When cops asked the driver, **Romiro Garcia-Valdiva**, what was in the back of the truck, he told them it was marijuana.

When cops opened the back of the truck, they found 614 pounds of marijuana.

Cops arrested the 23-year-old and took him to the Union County Jail.

9% to 10% of Mecklenburg County welfare recipients are illegals <http://thelp72980.wordpress.com/2010/09/22/9-to-10-of-meck-welfare-are-illegals/>

The following is by Bill James, County Commissioner, District 6, R. He granted me permission to post this:
9% to 10% of Meck welfare goes to illegals -
DSS knows who they are – won't tell ICE or Sheriff -
Raleigh refuses to allow DSS to inform on them -
DSS system tracks their identity but won't rat them out -
OK, so here is something you probably don't know about your government.

Welfare offices in NC take applications from illegals. Because the DSS identity system (called 'SAVE' - Systematic Alien Verification for Entitlement) verifies both the name and social security number, DSS knows exactly which people that walk into their offices are illegal and which are not.

According to rules from Raleigh, DSS is prohibited from turning over this information to the Sheriff, ICE or Homeland Security. However **5,635 illegals applied and were given benefits for their Anchor Babies.** That's just in Mecklenburg County alone. There are **99** other counties in NC.

But wait, there's more !

Of a total of 61,074 food stamp cases in Mecklenburg, 5,635 involve an illegal either applying for service or having an illegal in the household receiving the welfare dough.

Of the 1,434 new applications for Food Stamps involving an illegal – 139 were denied.

While it is illegal to be an illegal in the US and ICE and Homeland Security routinely round up illegals including their Anchor Babies returning them to their country of origin; in NC this information is in government computer systems and could be sent to ICE to round them up.

We could easily require finger-printing at DSS when their 'SAVE' computer system flags the individuals as illegal. We don't. We also don't call the Sheriff. We don't call ICE. We don't call Homeland Security. An Osama wanna-be could be applying (Anchor Baby in tow) yet no one in ICE or in local law enforcement is made aware of this.

The specific reason why illegals are protected by NC DSS is provided in an answer from our local DSS as follows:

ANSWER: "Per NC Department of Health and Human Services (DHHS) policy, individuals who apply for any Medicaid program or service are not subject to any US Citizenship and Immigration Services (USCIS) reporting requirements and should not be reported to the USCIS under any circumstances by DSS. For Food Stamps and Work First, NC DHHS policy states that only certain specific evidence of illegal presence in the United States must exist before an applicant/recipient can be reported to the U.S. Citizenship and Immigration Services (USCIS) by a DSS.

The only specific evidence that can be considered is evidence provided by the USCIS or the Executive Office of Immigration Review (EOIR), such as a Final Order of Deportation. No other criteria or evidence can or will warrant a referral being made to the USCIS.

According to one of our most long tenure employees (over 20 years) there has been one instance reported regarding illegal activity. This occurred approximately 10 years ago when a customer presented a copy of their Order of Deportation to a worker. We were then required to report this information to NCDHHS.

There is no system or information source that would provide this type of information outside of a customer presenting a letter they may have received.”

Below is a summary of info provided by our local DSS office. Kudos’ to Mary Wilson, head of DSS for pulling this together quickly.

Mecklenburg County, NC

Population - 913,639

Increase in Food Stamps and Welfare benefits to U.S. children with illegal immigrants parents since July 2009 \$311,354

Percent change in number of households U.S. citizen children with illegal immigrant parents receiving public assistance from January to June of this year -1.2% (Decrease)

Total payments in public assistance to U.S. children with illegal immigrant parents in July 2010 \$2,653,016

Total payments in FNS to U.S. children with illegal immigrant parents in July 2010 \$1,950,980

Total payments in Welfare to U.S. children with illegal immigrant parents in July 2010 \$153,007

One last point to ponder. Illegals with Anchor Babies get Medicaid (poor people health insurance) from birth to about 1 year. During this time the hospital where the baby was born collects info about the illegal as well. The County and local hospitals likely have detailed records of the name, address, SSN, phone and other vital stats for these illegals who have come through the system. None of which is provided to ICE or Homeland Security. Just imagine how many illegals are on the government dole while you or your loved one is unemployed. Think about how all government would have to do is just hit ‘print’ on their office computers or e-mail the list to ICE and Homeland Security.

Think how much money the Federal and local governments waste by allowing this to occur; refusing to cooperate with each other.

Illegal alien pleads guilty to molesting little girl in North Carolina, but blames victim

<http://www.examiner.com/immigration-reform-in-national/illegal-alien-pleads-guilty-to-molesting-little-girl-north-carolina-but-blames-victim?cid=examiner-email>

On Monday, **Jesus Salas Morales**, 38, pleaded guilty in a Forsyth County courtroom to years of sexually abusing a girl, beginning when she was only seven-years-old.

Morales entered a plea on seven counts of indecent liberties and one count of attempted first-degree rape. The abuse went on for three years.

Judge Edwin Wilson Jr. sentenced the Mexican national to 15 to 19 years in prison.

Morales was arrested for the sexual assaults by Winston-Salem police in November 2008, after a three-month investigation. The girl told her cousin, who reported the abuse to police.

Morales told investigators that he only abused the girl for six months and that it was actually the victim who initiated the sexual contact.

Illegal immigrant to serve 16 months max in DWI death

<http://www.wbtv.com/Global/story.asp?S=13209714>

CHARLOTTE, NC (WBTV) - An illegal immigrant who avoided justice for six years will serve no more than 16 months in jail for killing a man while driving drunk.

Jovany Morales pled guilty to DWI and involuntary manslaughter as part of a plea deal Thursday.

He was sentenced to 12 months on the DWI and 12 to 16 months on the involuntary manslaughter. But he can serve both sentences at the same time. Add in the time he's served since a May 31st arrest, and he could be out by late next spring.

Morales was driving drunk in 2004 when he hit Buddy Cline head-on and killed him on North Tryon Street in Charlotte. Cline was near the end of his daily commute from Albemarle to Charlotte, where he worked for Norfolk Southern Railroad.

After posting an \$18,000 bond, Morales did not show up for several court dates and was not heard from again until the arrest in late May of this year, when he was charged with assault and communicating threats.

He apparently used a different name when arrested, but authorities realized through fingerprints that he was the same man who had disappeared in 2004.

"He posted bond and that was it for six years," said Angela Cline, Buddy Cline's widow. "They say that he was in Charlotte the whole time."

Cline says she's upset that Morales only got 12-16 months for involuntary manslaughter. She feels the penalties for DWI need to be stronger.

Add in the fact that Morales is an illegal immigrant and was not given any extra time for avoiding justice for six years, and Cline says she's very upset.

Morales is supposed to be deported back to Guatemala when he's done serving his sentence.

Police put a stop to vandalism

<http://salisbury.wbtv.com/content/update-police-put-stop-cant-stop-writing>

SALISBURY - Salisbury Police have arrested two cousins for multiple counts of vandalisms, which have occurred at various locations throughout the downtown and surrounding areas of Salisbury. This rash of vandalisms began in April, 2010 and has continued until the suspects were caught in the act on September 10, 2010. Their actions consisted of spray painting many buildings, signs, and other properties throughout our community with the initials "CSW" and "SEDO". All combined, the two have been charged with a total of 90 acts of vandalism.

Noe Garcia, age 17, a resident of Salisbury, was charged with a total of 44 counts of "Injury to Real and Personal Property". He was jailed under a \$20,000 secured bond.

Ryan Garcia, a 16 year old resident of Mooresville, was charged with a total of 46 counts of "Injury to Real and Personal Property". He was jailed under a \$17,500 secured bond.

The actions of these two suspects came to a stop on September 10th, when a citizen observed the them spray painting some property on South Main Street. The citizen immediately called 911 and, within a very short period of time, Sgt. J. Lanier, who was operating an undercover vehicle, arrived on the scene and took them both into custody.

Two men commit the same crime, receive different charges

http://charlotte.news14.com/content/top_stories/630791/two-men-commit-the-same-crime--receive-different-charges

MECKLENBURG COUNTY — Two men, committed the same crime yet received different charges.

Both **Jovany Morales** and **Hugo Rosillo** pleaded guilty on Thursday to driving drunk and killing another motorist on the road. Morales will spend the next year in prison. Rosillo will spend at least the next nine years in prison.

The difference between the cases is Morales was charged with involuntary manslaughter. Rosillo was charged with second-degree murder. Judge Eric Levinson handed down those sentences and while he said he can not comment on the specifics of any case, he did issue the following statement:

“The law draws a real and concrete distinction between those circumstances and individuals that qualify for involuntary manslaughter prosecution and those that qualify for second-degree murder prosecution,” said Levinson.

The Mecklenburg County District Attorney's office didn't return our numerous attempts to contact them on why Rosillo was charged with murder, and Morales with involuntary manslaughter.

Alenjandro Leon-Martinez, 34, was found shot in the parking lot and he died at the scene.

A police officer who was already in the vicinity of the shooting heard one gunshot while pulling into the parking lot, and saw a white SUV leaving the scene.

Police officers followed the SUV onto Briarcreek Road before it crashed on Commonwealth Drive. All of the suspects inside the SUV jumped and ran.

Three suspects -- 16-year-old **Kevin Hernandez**, 19-year-old **Cruz Diaz-Pena**, and 17-year-old **Joel Munos** -- were taken into custody near the scene of the crash Sunday morning.

While investigating the crime, police found three firearms connected to the shooting in which they say were tossed from the SUV as it was being followed by police.

The fourth suspect, 17-year-old **Yaair E. Uresti**, was apprehended late Sunday night.

Recsmey Bruse Pich, 17, and **Jackson Dieu**, 16, were arrested and charged by police early Tuesday morning.
