Who We Are:

We are a statewide non-profit organization that is dedicated to immigration enforcement. Our organization represents the citizens' interest in stopping the flood of illegal aliens into North Carolina.

What We Believe:

We support limiting our jobs and resources to the citizens of North Carolina and we believe that it is time for our Legislators to adhere to their oath of office, *"to support the Constitution of the United States; and to be faithful and bear true allegiance to the State of North Carolina"* by passing the appropriate legislation to curtail the influx of illegal aliens into our state.

What We Do

We seek to educate those who turn a blind eye to the many costly and destructive consequences of illegal immigration.
